

OVERVIEW

# Florida Emergency Service 100 Free Digital Courses from Florida Virtual School

March 23, 2020

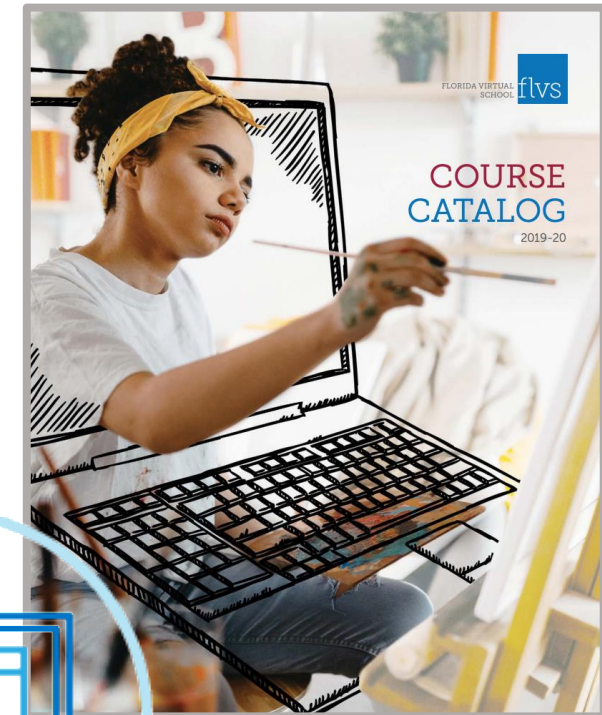

# Florida Virtual School Offering 100 Free Digital Courses to All Florida Districts

FLVS will provide up to 100 digital courses for free to all Florida public school districts through the end of the school year for students registered as a result of COVID-19, as an emergency service for grades K-12 on select Learning Management Systems (LMS).

[Core Courses](#) | [AP Courses](#) | [Electives\\*](#) | [CTE\\*](#)

*\*Select courses that are developed by FLVS only.*

*Operational Details on Slide 3*

# Operational Details

## **When will these courses be available?**

- Courses will be offered for free from March 25, 2020 through June 30, 2020
- Public school districts must contract with FLVS by May 31, 2020
- Districts who wish to renew after July 1, 2020, will have standard licensing rates and fees apply.

## **Which courses will be available?**

- FLVS developed courses only, which include Core, AP, Electives and CTE courses.

## **Are there any restrictions?**

- Only available in Florida to all public school students.
- Only valid for new student enrollments related to COVID-19 school disruptions.
- Courses are limited to 100 per school district.
- Courses are limited to course content only and do not include course assessments.
- Additional service fees and restrictions may apply to services beyond access to digital courses.

# External LMS Platforms Supported

- Blackboard (Ultra and v9.1)
- Buzz
- Canvas
- D2L (v9, v10)
- Moodle
- Schoology
